

Trowbridge Museum Risk Assessment Form**Workshop:** Stone Age Life**School/Date:**

Description of hazard	Hazard rating	Risk rating	Control measures - Museum	Control measures – School
Minor cuts when handling replica flint tools	C	3	1: Replica tools do have sharp edges so gloves will be worn during the archaeological dig activity. 2: All object handling will be done under strict supervision.	Children are accompanied by adults at all times
Stone Age Painting	C	3	1: Clay is safe to use. 2: Powder paint is safe to use. 3: Non-latex gloves will be made available to those children with skin conditions.	Please notify us if any children have skin conditions that require gloves when handling clay.
Foodstuffs	C	3	1: Any foodstuffs used with activities are not intended to be eaten.	
Role-Playing	C	3	The workshop may involve role-playing such as dance, music and hunting. All role-playing will be done in a safe and controlled manner and all resources are safe and suitable for handling by children.	

Hazard Rating A = death or major injury B = injury likely to require time off work/school C = minor injury

Risk Rating 1 = extremely likely to occur 2 = likely to occur 3 = slight chance of occurrence
