Trowbridge MUSEUM

Trowbridge MUSEUM

Museum Enquiries and Collection

Enquiries

Enquiries that require research - **initially charge £15** (e.g. History of the Town Hall) payment to be made in advance. Please note, more extensive research may increase this cost and will be discussed before continuing.
A simple database search (do you have a picture of...) is **free.**
* Museum staff are unable to value any objects.

Accessing Museum Collections

In order to support your area of study, we encourage you to think about your research needs ahead of your visit, this helps us to prepare the material in advance. The Museum has a small team of staff and the Archive & Library is supported by volunteers therefore research visits are by appointment only. There is usually a 1 months-notice period to access Museum collections.

Research Library

Library Opening Hours
Tuesday – Friday 10am- 4pm

Access to the library is by appointment only and has a general access charge of **£5 per hour**, per person. Call the museum to book appointment.

Family History research

Whilst Trowbridge Museum staff are happy to receive and assist with enquires, we are unable to carry out family specific research (unless it is a well-established or documented Trowbridge family i.e. Stancomb, Whitaker).

However, we are pleased to now offer our visitors the ability to access Ancestry as a tool to research their own family history. This research will be self-led in our Research Library.
This service will be at a charge of **£5 per hour**.
Please note that you need to make an appointment in advance to research using Ancestry
